Subject: Detrex Kosher Statement

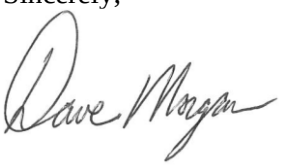
To whom it may concern,

Detrex Chemicals' Hydrochloric Acid is manufactured under the supervision of the Cleveland Kosher Rabbinical Board and complies with the kosher dietary laws.

Our products are not derived from animals. At no point in the manufacture, packaging, or distribution of our product is it exposed to animal matter or byproducts. Detrex uses no materials derived from animals, grains, fermentation products, or grapes in any of our manufacturing processes. Our products are processed under a closed system and are not handled or in contact with humans.

Detrex believes there are no issues in the use of this product in conjunction with kosher applications.

Sincerely,



Dave Morgan
Global Product Manager, Hydrochloric Acid
